

Titanic (1912) – 2½ hours

Sinking after contact with an iceberg

White Star Line Triple Screw Royal Mail Steamship Titanic

Copyright © 1998 Mark M. Nichol

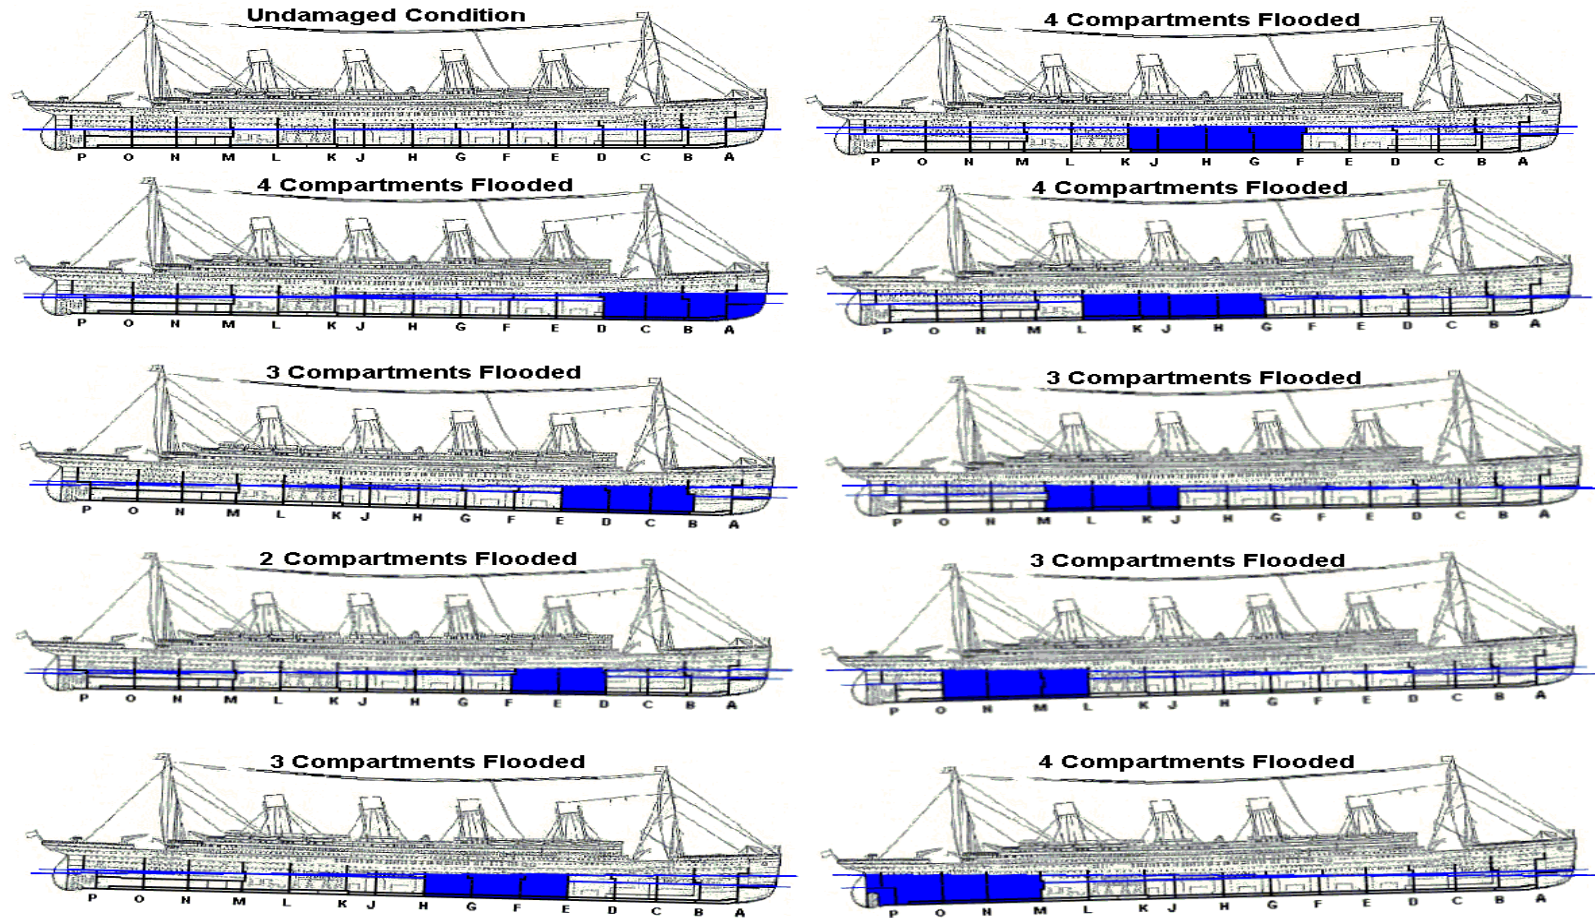

Route of *Titanic's* maiden voyage from Southampton to New York

Titanic (1912): it was an excellently subdivided ship, even by today's standards

However: **w/o watertight bulkhead!**

SW.H. Apenn
